

League Play Mini-Camp & Goalie Clinic 2009

For the 2009-2010 season we have added a specialized Goaltending Clinic to our August schedule to go along with our League Play Mini-Camp. Our Mini-Camp and Goalie Clinic are designed to help players prepare for try-outs and evaluations. Both will be under the direction of the clubs Coaching Committee with on-ice instruction led by experienced coaches from the organization with an emphasis placed on ***"Skill Development and Conditioning"***.

Our Mini-Camp and Goalie Clinic are open to registered Club Members in the Mite, Squirt, Pee-Wee and Bantams age divisions who will be participating in our League Play Program this season.

Mini-Camp

- Cost for the Mini-Camp is \$55.00 and includes 4.00 hours of ice time.
- Registration is limited and will be accepted on a 1st Come, 1st Served Basis.
- Groups will be limited to 30 skaters and 4 goaltenders.

Goalie Clinic

- Cost for the Goaltending Clinic is \$35.00 and includes 2.50 of ice time.
- Registration is limited and will be accepted on a 1st Come, 1st Served Basis.

To register for the Mini-Camp or the Goalie Clinic simply circle "Mini-Camp" or "Goalie Clinic" on your League Play Registration Form and include the appropriate fee when you mail your Registration Form and Registration Deposit for the 2009-2010 season.

To ensure there are an equal number of players in each group for our Mini-Camp the club will assign players to a group in divisions with more than 1 group.

Registration Confirmation and Group Assignment for both our Mini-Camp and Goalie Clinic will be posted on our web-site beginning Monday July 27, 2009 and will be up-dated every 2-3 days until both begin.

Over the years our Mini-Camp has been a huge success so register today before League Play Try-Outs and Evaluations begin to knock the rust off your game and take a break from the dog days of summer and play the **"Coolest Game"** in town.
